SAL Commanders Message

Hope everyone had a nice summer. I am looking forward to the coming year. The meeting night has been changed to the first Wednesday of the month @ 6:30 to give members time to get off work and get to the Post. I want to thank Bob & Janet Newman and Steve Hill with the Saturday Chicken BBQ cooking. I need volunteers to help with the cooking. It's 9:00 to until we sell out. Some members are coming back to the SAL, and we need to get membership back up. I have several new people trying to get their fathers DD214's so we will have new faces coming to the SAL. Thanks Eddie Meyers for all that you do.

May God Bless you.

Greetings from youth shooting,

We are ready to start a new season of youth shooting, but first lets conclude last season. At the American Legion convention our Jacob Ruark (12) received \$1000 dollar scholarship for shooting the high score at the state competition. Congratulations to Jacob. Next year the department is going to expand the scholarship to the top three competitors. This season will begin on September 14th in the air rifle building at the Salisbury gun club. We will practice every Saturday from 10-12. This program is open to any youth up to 19 years old. No experience is necessary. We will have beginner, intermediate, and our returning team. Everything is provided so just come out and have some fun. For more information please contact Keith Timmons at 443-614-6002 or mdmarksman@aol.com.
